## Lost and Found

Have you lost or found something at one of Troy's parks or facilities or at a school while participating in a Parks and Recreation activity? Items lost or found in one of Troy's parks are stored at each park. If you were participating in a recreation program when the item was lost, check with your instructor first. Items found at the Community Center, Aquatic Center, Nature Center or Golf Courses remain at these sites. Items found at a school are stored at the Community Center, but check with the staff at the site where you lost the item first. Lost and found items are kept a maximum of 30 days and then given to a charitable organization.

## Americans with Disabilities Act

Persons with disabilities are welcome to participate in our programs. Program modifications and reasonable accommodations will be made. Please let us know in advance if you need special accommodations. Contact Carla Vaughan, ADA Coordinator at 248.524.3484.

## Class Confirmations are e-mailed

Add us to your address book: [parksandreonline@troymi.gov](mailto:parksandreonline@troymi.gov) in order to receive your receipt. This will avoid it from going to your Spam mail. Be sure your household e-mail is up to date and we will e-mail a confirmation to you as soon as your registration has been processed. This will take three to five days after we begin processing registrations. To update your household information contact the Parks and Recreation office at 248.524.3484 prior to registration day.

## When payment is a problem

It is the policy of the Troy Parks and Recreation Department that no child in Troy be excluded from a program because of inability to pay a fee. A confidential application may be made to the Superintendent of Recreation, and if a hardship exists, the applicant may be granted a full scholarship, reduction in fee or payment plan. Please call Stuart Alderman at 248.524.3484 for scholarship information. Please note: We are not able to waive fees for some programs and special facilities.

## Photo Policy

Photographers commonly take pictures of recreation department activities, which are subsequently used in fliers, promotional materials, on our website, in Troy Today, and by sponsors. If you prefer not to be included in such photos, please let the photographer know before he/she begins taking the pictures.

## Editorial Policy

Although the Troy Parks and Recreation Department goes to great lengths to ensure that all information contained in this magazine is accurate at the time the magazine is printed, errors occasionally occur and last-minute changes in programs, classes or activities – such as dates, time and locations – may be necessary due to circumstances beyond our control.
